

KYHMIS Quarterly Webinar

April 26, 2023

Q1: “Regarding Annual Assessments, where are the intake forms that are used?”

A1: All HMIS intake forms can be found on the [HCA Partner Agency Portal](#). Additional feedback was given in the live webinar about what Annual Assessments are & when they need to be completed. Annual Assessments are completed after the client(s) have been in your project for a year. Annual Assessments must be completed within the window of 30 days before or after their Project Start/Entry date. If you have additional questions, please submit them via the Partner Portal.
