

**Community Housing Development Organization (CHDO)
Regulatory Requirements Certification**

I certify on behalf of _____ that the organization meets the Community Housing Development Organization (CHDO) regulatory requirements as established in 24 CFR §92.2 including but not limited to legal structure, independence, accountability to the low income community, and capacity. Additionally, the organization has a project that meets the project eligibility requirements of 24 CFR §92.300 for a reservation of CHDO set-aside funds.

I certify on behalf of the organization that there have not been any changes within the organization that affect the organization’s CHDO status. I certify that the organization understands that in the event of changes that affect any regulatory requirements (CFR §92.2) that it is our duty to inform Kentucky Housing Corporation of such change(s) and submit the required documentation for review to successfully fulfill the CHDO regulatory requirements to maintain CHDO status.

The certification is made with the Project Set-Up for the following:

Household Name:

Unit Address:

Unit City: _____, KY Zip Code:

The certification is submitted and authorized on behalf of the organization by:
