### Weatherization Public Guidance

March 1, 2019

KHC Public Notice 01-2019

**1. Subject:** LIHEAP Re-Weatherization Guidance

**Guidance:** The U.S. Department of Health & Human Services granted the Kentucky Cabinet for Health and Family Services a waiver in the weatherization assistance program regarding re-weatherized units. LIHEAP funds may be used on eligible households/units which were weatherized on or before September 30, 2012. *No DOE funds may be used to re-weatherize units which were weatherized on or after September 30, 1994.*

**2. Subject:** LIHEAP funds may be used for measures that have an SIR of .8 or higher.

**Guidance:** The U.S. Department of Health & Human Services granted the Kentucky Cabinet for Health and Family Services a waiver to use LIHEAP funds to perform measures that have an SIR of .8 or higher. Only measures that have an SIR of .8 or higher at the initial energy audit or that have a .8 or higher on the client completion report (after work is completed) may be paid for with LIHEAP funding. *No DOE funds may be used to pay for measures below an SIR of 1.0. Agencies wishing to perform measures of .8 or higher with LIHEAP funds must change the minimal acceptable SIR in the NEAT/MHEA audit parameters from 1.0 to .8 prior to running the initial energy audit. The minimal acceptable SIR setting may be found in the set-up library, key parameters, economics, minimal acceptable SIR.*
