Weatherization Assistance Program (WAP) Guidance

October 7, 2021

KHC Program Notice 03-2021

1. Subject: Santa Fe Community College Training on COVID Practices

Guidance: The COVID-19 Best Practices training offered by Santa Fe Community College is not a required training at this time. KHC cannot find that the training is still offered by Santa Fe Community College any longer.

2. Subject: COVID-19 Testing for Weatherization Staff

Guidance: If subgrantees implement required COVID-19 testing for weatherization staff who are not vaccinated, the testing costs should be charged to Health & Safety under “PPE required”. In order to charge COVID testing to Health & Safety, subgrantees will need to include testing protocols in their employment handbooks, agency policies/procedures, etc. Any COVID-19 testing that is conducted on staff who work in multiple federal programs, the costs of the tests must be shared proportionately among all federal programs.
